

WHO: For students in grades 4 - 7

WHEN: July 24th – August 3rd
8:30 a.m. - 11:30 a.m.
Monday- Thursday

WHERE: Denfeld High School,
FabLab Room 1310
401 N 44th Ave W, Duluth, MN

COST: \$90.00
(All proceeds go to support *FIRST* Robotics
Team 4009—Denfeld DNA Robotics)

DETAILS: Space is limited, so submit your
registration forms today! Please mail your
application and payment by June 30th to:
Denfeld Robotics
401 N 44th Ave W
Duluth, MN 55807

There will be free breakfast and lunch available in
the school cafeteria before and after our sessions!

*Come have fun learning to build robots!
This camp is hosted by the Denfeld Hunters
“DNA” Robotics Team. Students will learn
to design, build, and program a robot to
perform different tasks using LEGO
Mindstorms EV3 sets. No experience
necessary! Our student team members will
be on hand to support the junior engineers
every step of the process.*
