FOR IMMEDIATE RELEASE

DNA ROBOTICS COMPETES AT STATE & EARNS PRESTIGIOUS AWARD

Denfeld Nation Automation (DNA) Team 4009 competed at the 2015 MSHSL/FIRST State Robotics competition at Williams Arena on the University of MN Twin Cities Campus on May 16th. Out of 193 Minnesota teams, 30 were invited to compete. DNA finished 9th and earned the Outstanding Engineering and Design Award sponsored by the robotics manufacturing department of the Dunwoody College of Technology. The award recognizes those teams that exhibit unique engineering and design solutions to the robot challenge. The award comes with a trophy and \$500 check to be used toward next year's team expenses.

A picture of the team receiving the check from Dunwoody to follow.
