

December 20th, 2016

FOR IMMEDIATE RELEASE

On Tuesday, December 13th, 2016, the Denfeld Nation Automation (DNA) Team 4009 team received a \$2,000 donation from the Lahti Charitable Trust in recognition of DNA's positive influence on youth in the community. DNA Team 4009 is grateful to the Lahti foundation for their donation and will use their funding to continue the advancement of STEM education.

ROBOTICS IS IN OUR BLOOD
