Denfeld Nation Automation (DNA) FIRST Robotics Team 4009 competed at the Lake Superior Regional at the DECC on March 4th and 5th. Between qualification and elimination rounds the team played fourteen matches and went undefeated. DNA was ranked first after qualification rounds and chose alliance partners Hawaiian Kids Team 359 from Waialua, HI, and the rookie Mystery Machine Team 6175 from Eden Valley, MN. In addition to winning the Lake Superior Regional, Denfeld Nation Automation also won the Engineering Inspiration Award.

This engineering award celebrates outstanding success in advancing respect and appreciation for engineering within a team's school and community and comes with a paid registration for the world championship in St. Louis, MO on April 28-30th.
