

August, 16, 2016

FOR IMMEDIATE RELEASE

Each month during their regular meeting, Duluth School Board members take time to recognize students, school or staff accomplishments. In August, the School Board recognized the Denfeld Nation Automation (DNA) Robotics Team and the success they had this season:

July 2016:

1st & 2nd Place, Gitchi Gummi Mini-Regional
Received Helping Hands Award for Gracious Professionalism

May 2016:

2nd Place, MSHSL State Robotics Championship
Received Dunwoody Award for Outstanding Engineering & Design

April 2016:

FIRST Robotics World Championship, Semi-Finalists in the Galileo Division

March 2016:

1st Place Lake Superior Regional, 14 matches undefeated
Received Engineering Inspiration Award

DNA Robotics Team accepting a Certificate of Recognition from the ISD 709 School Board
