FOR IMMEDIATE RELEASE

On Saturday, May 21, 2016, Denfeld Nation Automation (DNA) Team 4009 competed at the Minnesota State High School League Championship in Minneapolis at the Mariucci Arena. DNA was ranked 4th out of 30 teams at the end of qualification matches. They became the third seeded alliance captain and chose Team 2883, F.R.E.D and Team 3042, Cobalt Catalyst to be their partners. Denfeld played in the finals and eventually lost to the top alliance.

DNA, in addition to placing second, was honored with the Dunwoody Award for Outstanding Engineering & Design. This is the team's second year in a row receiving this award. The award recognizes robotics teams that exhibit unique engineering and design solutions and grants the team \$500 to continue to promote engineering.
