

## DULUTH, MN – 8, April, 2026

DNA has their 9th annual silent auction and spaghetti dinner right around the corner! This is a spectacular opportunity to see the community come together and support the team as they continue to strive towards their goals for their current season and the next one. During the time between their competitions, DNA becomes very active in the community and participates in many events. Stay tuned to see where they will be next.

The event will be hosted at Mr. D's Bar and Grill on Sunday April 12th at 1pm. Adult meal tickets for the spaghetti dinner will cost \$10 while student tickets are \$7, children under 5 eat for free. All proceeds will go toward their competition fees, travel expenses, robot materials, and any additional operating expenses they may have.

The generous contributions from donors allow students on their team to make strides in many ways. They learn many skills while on DNA that can be applied to their future lives. The work the team does helps students prepare for the work force or any higher education they may pursue.

Your support is greatly appreciated and they hope to see you there!
